#### A Word from the Promoter

This was the 18th annual match between the two clubs and the score now stands at 10 to 8 in favour of the Powerhouse team, and I am sure the Castlemilk club will already be working on turning that scoreline around. It was a great competition with some tough lifting, and great performances. Steve Angell was top lifter, only just ahead of team mate James Gardner, with newcomer Jamie Gratton really making his mark to take third spot just ahead of William Wright. Karen Gardner won the battle of the ladies finishing ahead of Mandy and Agnes. The atmosphere was electric, a great way for the Powerhouse team to christen their new home at BMS Motoquip, Burton. Worthy of special mention is James Gardner who broke three Open IAWA World Records
