The 17th Annual match between the two clubs saw 13 lifters take to the platform to defend their honour. The event took place in the Castlemilk club's training Gym which was a cosy but nice experience for the visitors (apart from when the tap dancing class practiced on the wooden stage directly overhead). The competition was just as eagerly contested as the first- back in 1990, with some good lifting, and it was great to see Peter Cokayne taking part in his first competition, and Colin Hughes in only his second. Thanks were given by the visitors, to Willie Wright and his club for playing hosts and putting on a good competition, and also to George and Janet Dick for putting on Food and Drink – simply wonderful hospitality!
